## ICD-9 Key Abbreviations Revised Last 11.11.09

This is a key to the structure and organization of SETMA's 8,300 ICD-9 Code list. The complete key consists of two lists: one which identifies the titles of categories of codes which are complete words and the other which identifies the titles of categories of codes which are abbreviations.

-- A --

AA	Amino Acid Disorders: Homocysteine, Phenylketonuria, etc.
Abd Pain	Abdominal Pain
Abd Pelv Mass	Abdominal Pelvic Mass
Abd Rigidity	Abdominal Rigidity
Abn	Abnormal A number of ICD-9 Codes for abnormal test and or procedure results SUCH AS Acid/Base, Brain Scan, EKG, Echocardiogram, etc.
ADD	Attention Deficit Disorder
Adj React	Adjustment Reaction a series of codes which relate to adolescent adjustment reactions
ALS	Amyotrophic Lateral Sclerosis
AOC	Alteration of Consciousness
Arthrop	Arthropathy Behcets
Arthropathy Crystal	Arthropathy Kaschin-Beck
	Arthropathy Monoarticular
	Arthropathy Polyarticular
	Arthropathy Post Dysentery
	Arthropathy Reiters
	Arthropathy Transient
	Arthropathy Trauma
	Arthropathy Unspecified
	Arthropathy With _____ (various other conditions)
	Arthropathy with helminthiasis
	Arthropathy with mycoses
Articular Carti Dis	Articular Cartilage Disorders
AV Block	Atrioventricular Block

-- B --

BBB	Bundle Branch Block
Benig Neop	Benign Neoplasm
BMI	Body Mass Index
Bone Malig Neop	Bone Malignant Neoplasm

-- C --

CAD	Coronary Artery Disease
Carb	Carbohydrate Metabolism Disorder a series of transport and/or Tolerance Disorders
Cerebrovas	Cerebrovascular Diseases
CHF	Congestive Heart Failure
Cholecyst	Cholecystitis
Chondro Dicalc	Chondrocalcinosis
Chondro Pyroph	Chondrocalcinosis Pyrophosphate
CN	Cranial Nerves a series of codes related to cranial nerves

CNS	Central Nervous System a series of codes related to the CNS
Coag Defect	Coagulation Defect both disease based and medication based
Concuss	Concussion
Cong	Congenital
CVA	Cerebrovascular Accident

-- D --

Develop	Developmental Bone Arrest
Develop Delay	Developmental Delay a series of codes related to various kinds of delay
DM	Diabetes Mellitus
DVT	Deep Venous Thrombosis

-- E --

Elev	Elevation a series of codes relating to elevation of biomarkers
Endo	Endocrine a series of codes related to endocrinological abnormalities related to: Adrenal Aldosteronism Endocrine seven codes for general endocrine problems Euthyroid Sick Syndrome MEN Neuroendocrine Parathyroid Polyglandular
ENT	Ear, Nose, Throat

-- F --

FB	Foreign Body in different parts of the body
FHx	Family History
Fx	Fracture of different bones in the body also under particular bone, i.e.,Ankle.

-- G --

GC	Gonococcus
GI	A series of diagnosis related to the gastrintestinal tract
Glomerulo	Glomerulonephritis
Gyn	A series of codes related to gynecology

-- H --

HCKD	Hypertension Chronic Kidney Disease
HHD LVH	Hypertension Heart Disease Left Ventricular Hypertrophy
HHD/CKD	Hypertension Heart Disease Chronic Kidney Disease
Hx	History of, Personal History of
Hyperten	Hypertension

-- I --

Infec	Infection Resistant
Inj Abras	Injury abrasion burn

-- L --

Lab	Laboratory a series of codes related to laboratory procedures and/or diagnoses
-----	--

-- M --

Malig Neop	Malignant neoplasm
Med Adv Reac	Medicine Adverse Reaction a series of codes about different drugs causing reactions
Metab Carnitine	Metabolism Transport Disorder
MI	Myocardial Infarction

MRSA Methicillin Resistant Staphy Aureus  
MVA Motor Vehicle Accident

-- N --

NB New Born codes related to the new born  
Neur Neurology a series of codes related of the CNS  
Neuro Neurology another series of codes related to the CNS  
NH Discharge Nursing Home Discharge

-- O --

OA Osteoarthritis  
Obs Observing and a series of codes related to conditions being observed  
OD Overdose  
OM Otitis Media  
Ortho Orthopedic

-- P --

PAP Pap Abnormal  
Pedi BMI Pediatric Basal Metabolism Index codes  
PQRI Physical Quality Recognition Initiative  
Preg Pregnancy  
Pulm Pulmonary, a series of codes related to the lungs  
PVD Peripheral Vascular Disease

-- R --

RA Rheumatoid Arthritis  
Rehab Rehabilitation

-- S --

Schizo Schizoaffective Disorder  
Schizophren Schizophrenia  
SIRS Systemic Inflammatory Response Syndrome  
SLE Systemic Lupus Erythematosus  
STD Sexually Transmitted Disease  
Stom/Duod Stomach Duodenum Angiodysplasia  
Surg Surgical a series of codes related to surgery and post surgery care

-- T --

TB Tuberculosis  
TIA Transient Ischemic Attack  
TMJ Tempromandibular Joint

-- V --

VAC Vaccination, a series of codes related to immunizations  
Vit Vitamin Deficiencies
